Request stops

Not all trains stop at stations along this route, but they will stop at them upon request. These stations have an **x** in the timetable when the train is due to pass through.

To stop the train whilst waiting at a request stop station - on seeing the train approach the station, raise your hand above your head so that the driver can see that you want the train to stop. In poor light, please raise something bright - but do not shine any bright lights towards the train.

To stop the train at a request stop station whilst on the train - please inform the conductor of the station that you require the train to stop at. The conductor can be found at the rear of the train. Do not use the emergency alarm to stop the train at a station unless there is an actual emergency.

Need the ramp? Travel in the front train.

Services between Barrow-in-Furness, Preston, Lancaster and Manchester are run with either 4 or 6 carriages.

If you require the use of the ramp, please travel in the front 2 or 3 carriages as the accessible area will always be available to and from the platform.

Travelling to Silverdale from stations between Barrow-in-Furness and Arnsdale?

Please ensure that on 4 or 6 carriage trains, **you travel in the rear 2 or 3 carriages of the train** as train doors in the front 2 or 3 carriages will not open at Silverdale.

Postcards from the Lake District Burneside Village

All bus times shown are valid
until Sunday 03 November 2024

Explore the Lakes by bus

Join the London to Windermere National Cycle Route N6 at the foot of Burneside station.

The place to enjoy local beers, re-fuel, meet the locals and pick up some local dialect! It's reet int centur ut village.

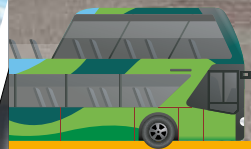

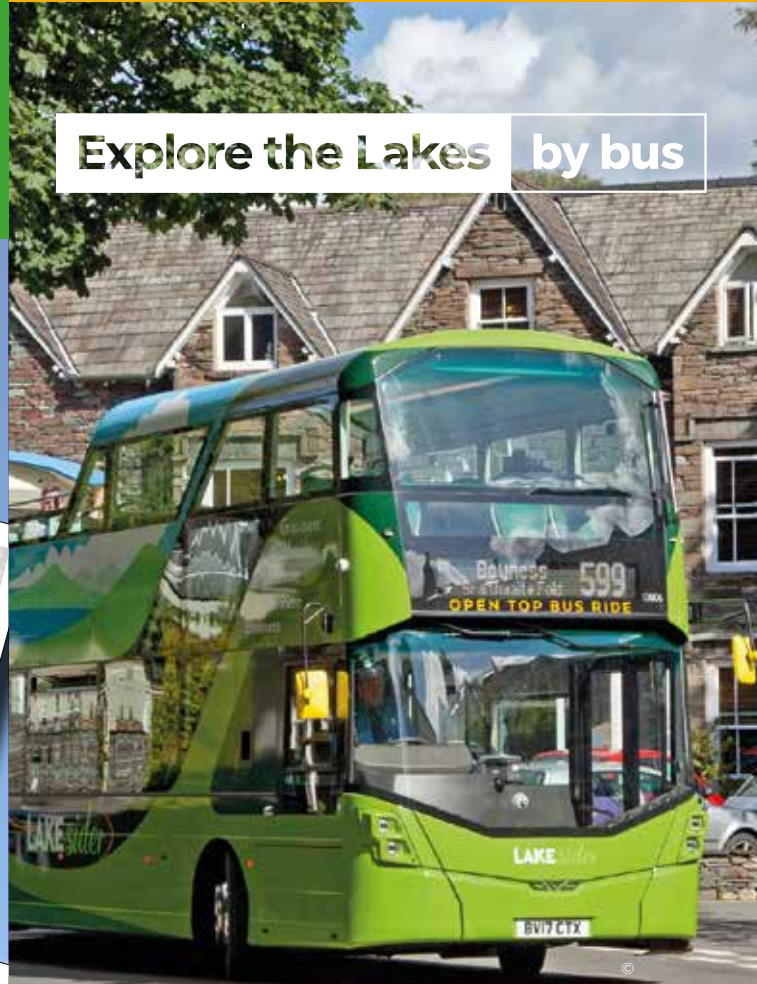

The Dales Way passes along the eastern edge of the village, and later along the banks of the River Kent.

Burneside Hall

Built in 1290, the hall is one of the oldest buildings in the village and was built as a fortified residency to protect habitants from marauding Scots! Gilbert de Burneshead owned the Hall in 13th century and from who the village derived its name.

The Elba Monument, situated in a field off the A591 at the top of Hollins Lane, was built in 1814 as a tribute to William Pitt's leadership in the Napoleonic Wars. It was designed to glorify the imprisonment of Napoleon on Elba. Unfortunately, Napoleon escaped in 1815, prior to the monument's inscription being placed. Napoleon died in British custody on Ascension in 1821; an inscription was finally attached in 1914.
