## Request stops

Not all trains stop at stations along this route, but they will stop at them upon request. These stations have an **x** in the timetable when the train is due to pass through.

**To stop the train whilst waiting at a request stop station** - on seeing the train approach the station, raise your hand above your head so that the driver can see that you want the train to stop. In poor light, please raise something bright - but do not shine any bright lights towards the train.

**To stop the train at a request stop station whilst on the train** - please inform the conductor of the station that you require the train to stop at. The conductor can be found at the rear of the train. Do not use the emergency alarm to stop the train at a station unless there is an actual emergency.

## Need the ramp? Travel in the front train.

Services between Barrow-in-Furness, Preston, Lancaster and Manchester are run with either 4 or 6 carriages.

**If you require the use of the ramp, please travel in the front 2 or 3 carriages** as the accessible area will always be available to and from the platform.

Our station information displays will show in both text and as a graphic how many carriages a service has.

## Travelling to Silverdale from stations between Barrow-in-Furness and Arnside?

Please ensure that on 4 or 6 carriage trains, **you travel in the rear 2 or 3 carriages of the train** as train doors in the front 2 or 3 carriages will not open at Silverdale.

Postcards from a  
Cumbrian Coast village

# St Bees

A popular destination on the Cumbrian Coast since the railway arrived in 1849

**The prom**

A long sandy beach, with a promenade, large children's park, café and hotel.

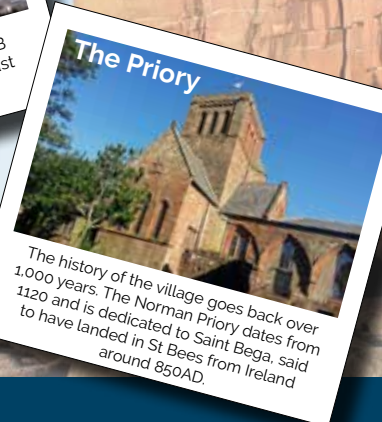

**The station**

The station is in the centre of the historic village, which has its own railway museum and is only a 15 minute walk from the beach.

**Fleswick Bay**

St Bees Head is an important RSPB reserve and the only Heritage Coast between Wales and Scotland.

**The Priory**

The history of the village goes back over 1,000 years. The Norman Priory dates from 1120 and is dedicated to Saint Bege, said to have landed in St Bees from Ireland around 850AD.

## ***Northern is continuing improvement work across its network, with enhancements made to trains, stations and the ways to buy tickets.***

In the past 12 months alone, Northern has delivered millions of pounds worth of improvements at stations, including the installation of more than 600 ticket machines and improved accessibility features.

Discover the improvements that have been made at your station, by visiting: [northernrailway.co.uk/better](https://northernrailway.co.uk/better) and typing in your station's name.

There are loads of great value tickets available to experience these improvements for yourself - choose from day tickets, flexi-season tickets and annual tickets, there's a great deal of choice when it comes to commuting by rail.

### ***Are you a Sellafield employee?***

You can also apply for a corporate season ticket by visiting: [corporateseasontickets.com/season-tickets/sellafield](https://corporateseasontickets.com/season-tickets/sellafield) or by scanning the QR code.

## ***Train times***

### **The Lakes Line & West Coast Main Line**

*Includes Avanti West Coast and TransPennine Express services*

## Travelling Avanti West Coast or TransPennine Express?

Train times shown for Avanti West Coast and TransPennine Express are those which have been planned to operate during the course of this publication.

Timetables shown for services marked either **TP** or **AV** are still subject to change or may not operate due to ongoing operational challenges both companies continue to experience.

### Carstairs improvements

Until **Sunday 04 June 2023**, major improvements are ongoing to the tracks, signals and overhead lines near Carstairs, Scotland. These upgrades, alongside the remodelling of a key junction, will require the closure of the line between Edinburgh/Glasgow and Carlisle.

**Weekdays** - train services will run to and from Glasgow Central/Edinburgh Waverley, however, buses will replace some trains to and from Lockerbie.

**Weekends** - buses replace trains between Carlisle and Glasgow Central/Edinburgh Waverley. Between Carlisle and Glasgow Central these will be supplemented by a limited Super Voyager service running via Dumfries and Kilmarnock.

Please check your journey before travelling at [tpexpress.co.uk](http://tpexpress.co.uk) or [avantiwestcoast.co.uk](http://avantiwestcoast.co.uk)

## Need the ramp? Travel in the front train.

Many services between Windermere, Preston, Lancaster and Manchester are now run with either 4 or 6 carriages.

**If you require the use of the ramp, please travel in the front 2 or 3 carriages** as the accessible area will always be available to and from the platform.

Our station information displays will show in both text and as a graphic how many carriages a service has.
