

Strategic *Project* Assessment

For Complex and International *ERP* and *Transformation Projects*

Clarity • Confidence • Control

Purpose

A focused, **senior-led** engagement that helps you **assess, recover, or realign** your ERP or Transformation project.

Is your project on track? We'll help you know for sure.

3-Phase Model

1. Discover

Review **scope, risks,**
alignment.

2. Diagnose

2–3-day **on-site**
workshop, analysis,
and **prioritization.**

3. Deliver

Written assessment,
executive debrief,
actionable roadmap.

Value Highlights

- Independent, vendor-neutral **expert** engagement.
- Senior transformation leadership (**25+ years' international experience**).
- **Actionable results** within a few weeks not months.
- **Proven** framework used across medical, manufacturing, and global rollouts.
