2. FABRIC REQUIREMENTS and GENERAL RESTRICTIONS:

- **YARDAGE RECEIVED:** Fabric will be received and checked for sufficient yardage (please do not send multiple rolls of short ends for your item due to yield concerns and dye lot variations). **If less than the stated yardage requirement is received, you will be notified of any additional yardage needed within 3 business days. Due to the delicate nature of Velvet - The yardage received will not be confirmed until the order goes into production.** This is to reduce the amount of handling and prevent damage to the material.
- **AFTER RECEIPT:** If an order is not placed in our system within 90 days of fabric receipt the fabric becomes the property of HF Custom and will be discarded. You will be contacted periodically requesting the order.

- HF Custom DOES NOT assume responsibility for fabric flaws, defects, dye-lot variations, or wearing qualities of any COM yardage. HF Custom will make every effort to detect these prior to cutting the fabric. HF Custom reserves the exclusive right to reject any COM fabric that does not meet our quality standards or is not suitable for upholstery.
- HF Custom's liability for COM fabric will be limited to the actual value of the fabric or \$100 per yard, whichever is less. (NO EXCEPTIONS)
- YARDAGE REQUIREMENTS: All COM yardage is specified in the price list based on 54" railroad, non-matched fabric. Fabric less than 54" wide, but at least 48" wide WILL only be accepted with a \$50 processing fee (per item) and will be added to the invoice. Fabric narrower than 48" cannot be accepted under any circumstances.

Please only send required yardage as we cannot be liable for any excess fabric.

CUSTOMER'S OWN MATERIAL

CERTIFICATION OF COMPLIANCE & INDEMNIFICATION OF HOOKER FURNISHINGS

Hooker Furnishings and its family of upholstery brands – including Bradington Young, HF Custom, M, and H Contract (collectively "Hooker Furnishings") – provide the option for Customer Owned Materials ("COMs") to be used in upholstered products. It is of course necessary that these materials comply with applicable laws. The Safer Occupancy Furniture Flammability Act ("SOFFA") regulates the flammability of upholstery in the United States by mandating the adoption of California's TB 117-2013. There are also a growing number of state laws pertaining to the use of flame retardants and stain resistant substances known as per-and polyfluoroalkyl substances ("PFAS"). As a condition of Hooker Furnishings accepting COMs, the company requires certification that the materials comply with applicable laws and that the customer will indemnify and hold Hooker Furnishings harmless for the use of the COMs selected and supplied by the customer.

Hooker Furnishings offers a wide variety of fabrics, all of which comply with applicable federal and state laws. Should you prefer to use COMs, Hooker Furnishings requires that the following certification below be completed, and that this form be signed by an authorized representative of the customer.

I certify the two conditions below:

☐ The fabric I am supplying passes section 1 of SOFFA/California TB117-2013.

☐ I certify that the materials I am supplying to Hooker Furnishings are free of flame retardants and PFAS.

I further state that I am authorized representative of the company listed below and that the company (the Indemnitor) will indemnify and hold harmless Hooker Furnishings and its officers, employees, agents, and insurers (Indemnitees) from any and all claims, liabilities, demands, suits, cause of action or proceedings of any kind or nature, losses or damages, including attorneys' fees and costs of defense, which may result from any material supplied to Hooker Furnishings.
