HF CUSTOM WARRANTY

Lifetime Limited Warranty - HF Custom warrants frames and springs to be free from manufacturing defects for the life of the piece. “Lifetime” is defined by the life of the original cover (fabric).

5-Year Limited Warranty - HF Custom warrants its cushions to be free from manufacturing defects and loss of resiliency for five (5) years. While foam will soften, it should not lose its resiliency – the ability to recover from compression. Polyester and Blend-down wraps, used to create surface softness, will, over time, lose some of its initial loft, which may contribute to cushion flattening and cover wrinkling.

3-Year Limited Warranty - HF Custom warrants metal mechanisms and their components to be free from manufacturing defects for three (3) years. This warranty includes swivel bases, swivel glider bases and recliner mechanisms.

1-Year Limited Warranty - HF Custom warrants its fabrics and leathers, as well as padding and filling materials to be free from manufacturing defects for one (1) year. This warranty does not cover wearing, wrinkling, fading, piling or fabric that has been treated with dealer or consumer applied soil and stain repellent. COM's are not warranted.

POWER RECLINE: HF Custom warrants to you, the original retail purchaser, protection against a defective power recline mechanism for a period of three (3) years from the date of original retail purchase. HF Custom will, at its discretion, repair or replace the part of the mechanism that is defective. After the first year of use, the mechanism warranty only covers replacement parts and does not cover any associated labor or shipping costs.

CLAIMS: To make a claim under this Warranty, contact the dealer from whom the product was purchased with your dated proof of purchase. If the dealer finds return to the factory to be necessary, repair or replacement of defective parts will be made through the dealer during the first year at no cost to the customer, except for the cost of packing and shipping to and from the factory. **After the first year of purchase, the above warranty covers REPLACEMENT PARTS ONLY and does not cover labor or shipping costs of parts. After the first three years, the mechanism must be returned to HF Custom in order to take advantage of the Warranty.**

WARRANTY LIMITATIONS: This warranty does NOT include:

The wearing quality, durability, and color fastness of **FABRICS, VINYL, or LEATHERS.**

Any condition resulting from incorrect or inadequate maintenance, cleaning or care.

Any condition resulting from other than ordinary residential wear, or from any use for which the product was not designed.

HF Custom is **NOT** responsible for fading or discoloration of fabric or leather due to sunlight (direct or indirect) or body oils.

HF Custom is **NOT** responsible for pickup and delivery charges for local repairs or inspections under the above warranty.

HF Custom's obligation under this Warranty is limited to repair or replacement in accordance with the terms of this warranty. There are no warranties, either expressed or implied, offered by HF Custom other than those herein described. Coverage under this Warranty does not include incidental or consequential damages other than the coverage described above. Some states do not allow limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

The HF Custom warranty covers normal residential use and conditions and is limited to the original retail purchaser. This warranty does not cover damage as a result of abuse, misuse, accident or shipping and handling.

Any questions concerning the product or this Warranty should be addressed to:

CUSTOMER'S OWN MATERIAL

CERTIFICATION OF COMPLIANCE & INDEMNIFICATION OF HOOKER FURNISHINGS

Hooker Furnishings and its family of upholstery brands – including Bradington Young, HF Custom, M, and H Contract (collectively “Hooker Furnishings”) – provide the option for Customer Owned Materials (“COMs”) to be used in upholstered products. It is of course necessary that these materials comply with applicable laws. The Safer Occupancy Furniture Flammability Act (“SOFFA”) regulates the flammability of upholstery in the United States by mandating the adoption of California’s TB 117-2013. There are also a growing number of state laws pertaining to the use of flame retardants and stain resistant substances known as per-and polyfluoroalkyl substances (“PFAS”). As a condition of Hooker Furnishings accepting COMs, the company requires certification that the materials comply with applicable laws and that the customer will indemnify and hold Hooker Furnishings harmless for the use of the COMs selected and supplied by the customer.

Hooker Furnishings offers a wide variety of fabrics, all of which comply with applicable federal and state laws. Should you prefer to use COMs, Hooker Furnishings requires that the following certification below be completed, and that this form be signed by an authorized representative of the customer.

I certify the two conditions below:

The fabric I am supplying passes section 1 of SOFFA/California TB117-2013.

I certify that the materials I am supplying to Hooker Furnishings are free of flame retardants and PFAS.

I further state that I am authorized representative of the company listed below and that the company (the Indemnitor) will indemnify and hold harmless Hooker Furnishings and its officers, employees, agents, and insurers (Indemnitees) from any and all claims, liabilities, demands, suits, cause of action or proceedings of any kind or nature, losses or damages, including attorneys' fees and costs of defense, which may result from any material supplied to Hooker Furnishings.
