

October 24, 2025

Dear Friends & Supporters of SWJDS,

We are currently making plans for our 16th year as the Southwest Jr. Dragster Series. The series was established in 2010 and, since 2023, we have been recognized as a 501(c)3 non-profit organization. Our mission is to provide a safe and educational environment for children who love drag racing. We believe in promoting discipline, sportsmanship, and skill development among young racers. Through our program, children not only learn the technical aspects of drag racing but also gain valuable life skills such as teamwork, responsibility, and goal setting.

Each year, we organize (8) two-day races at different tracks around Texas, Louisiana and Oklahoma. Last year, we hosted more than (70) drivers, ages 6-17 years old, competing in (9) different classes and sold over 150 tech cards. Since 2022, we have teamed up with DragChamp.com to help promote our events and updates, as well as showcase driver highlights from the weekends. Drag Champ averages over 40,000+ page views per month and up to 600,000 per month on social media. This is an amazing partnership that not only benefits our organization but our sponsors. Your sponsorship includes visibility for your company through our events, social media, website and promotional materials.

Last year, we raised close to \$33,000 in sponsorships, which supported track fees, pay outs, trophies, announcer fees, banquet and more. We are seeking sponsors who share our vision and commitment to empowering this next generation of drag racers.

Thank you for your consideration.

David Freeman
SWJDS Director
