Sign up for one of our annual CupCare® Programs. We will take care of the rest! CupCare® is performed either Semi-Annually or Quarterly recommended for high volume locations. We replace high-wear components as recommended by the manufacturer in Scheduled Maintenance Kit's A & B, review a series of checks on the machines performance; as well as make recommendations on replacement of other components. All annual CupCare® Program participants also enjoy a 10% discount off all emergency service travel, labor & parts.

Upgrade to our CupCare® PLUS program to include water filter replacements

(Limited to Optipure EM2 Stage 1 & 2 water filtration system or Bunn EQHP-ESP; 1 or each replaced on semi-annual or quarterly cycles)
