

Capability Statement

ABOUT US

Nicholas Contract Management Group LLC (NCMG) is a full-service contract management, procurement, and project support firm delivering mission-focused solutions to federal, commercial, educational, and private-sector clients. Our capabilities include contract and procurement support, staffing, facilities services, logistics, project management, environmental services, and operational support.

NCMG serves as a trusted partner to government agencies, prime contractors, and commercial organizations by providing comprehensive contract lifecycle support—from opportunity identification and proposal development to project execution, compliance management, and contract closeout. Leveraging a network of qualified vendors, subcontractors, and industry professionals, we deliver scalable, compliant, and results-driven solutions tailored to each client's requirements.
