In addition to the previous grades, the following will be asked for.

To recognise **Tonal OR Real Sequences.**

Parallel OR Piano style.

Harmony written in *Parallel OR Piano style* is an option for each candidate. This is similar to four part vocal except that the top 3 parts are placed in the treble clef in a close chordal format and with a lower part in the bass clef. Generally the rules for 4 part vocal can be applied in the same manner but not essential. The 2 or 3 remaining voices are closely placed, just under the melodic line, as if someone were playing a chordal pattern on the piano. However, a more advanced chordal spread over the 2 clefs is acceptable, particularly at grade 7 and 8 examinations, but this is not mandatory.

The following is an example of Parallel, Piano style.

The musical notation example shows a treble and bass clef. The treble clef contains chords for the following sequence: C, G, C, F, C, G7, Am, F, C, F, Dm, G7, C. The bass clef contains single notes for the same sequence: C, D, E, F, G, A, B, C, D, E, F, G, A. The notation is in 4/4 time and uses a key signature of one flat (Bb).
