Residents of the Month

Jennifer Bloomfield - SCU

Jennifer is being celebrated as our SCU Resident of the month because she does very well communicating with others. She makes it a point to validate other's feelings. If anyone needs a friend, she's there! She is close friends with another resident, going out of her way every day to check in with staff and make sure her friend is well taken care of. She socializes with her friend because Jennifer knows that she better in social settings – especially with eating... so Jennifer sits with her and visits to be sure she is eating her meals. Jennifer is always making sure others are okay. Thank you and Congratulations Jennifer!

Dorothy Weir – AL

Congratulations Dorothy on being recognized as our AL Resident of the Month. Dorothy is always so kind. She enjoys participating in activities and never says no. Dorothy is friendly to everyone and if she sees someone having a bad time, she goes over to give them a hug. She always makes sure to comfort others. Dorothy stays active, is very sweet to residents and staff... Everyone has something nice to say about Dorothy! If someone needs to talk, a smile or a hug, Dorothy is there! Thank you Dorothy!

Thank you Cynthia, and congratulations on your Employee of the Month recognition!

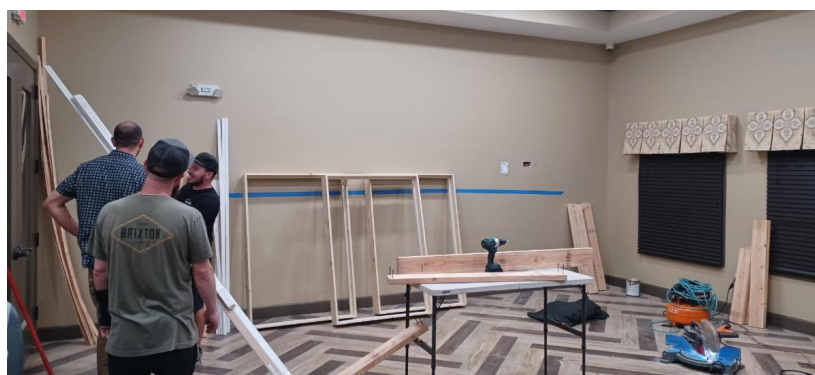

CULINARY GARDENS

Check out our beautiful culinary gardens! Located in our courtyard, just outside of our Educational Pavilion, the garden is flourishing with lovely herbs and vegetables. Our Activity Department and Residents maintain the garden and utilize the herbs and veggies in our cooking and aromatherapy classes held in our Pavilion.

SOMETHING EXCITING IS HAPPENING...

Watch our monthly e:blast to see how we are transforming the previous Activity Room! Any guesses on what's coming?!?!

PASRS EVENT

Everlasting was honored to host placement agents at the PASRS Breakfast on May 28th. As a proud member of the NPRA, and a premier Assisted Living provider in Arizona, we realize how important it is to align ourselves with others who embody the same ethical standards held by Everlasting. Arizona's local NPRA chapter, PASRS, shares our principles, putting residents and families first. We'd like to thank PASRS and the placement agents who came out to learn more about Traumatic and Acquired Brain Injury and Global Cognitive Impairment as well as Everlasting's almost twenty-year history, and what makes us so unique!
