Location of incident or alleged offence	
Land Location	
Other description (if needed include a sketch)	
Detailed description of alleged bylaw violation (<i>please be as detailed as possible providing names of witnesses if available and any attending authorities</i>):	

Rural Municipality of Nipawin No. 487

1. The Rural Municipality of Nipawin No. 487 does not have the resources to formally review properties on a regular basis in order to determine whether or not its regulatory bylaws are being complied with at all times. Therefore, except for called inspections arising from permit applications, it is the general practice of the RM of Nipawin to rely on ratepayer's complaints as a means of alerting bylaw enforcement to violations of its bylaws. The RM of Nipawin has established policies and procedures in order to encourage a balance of accountability and confidentiality among the various parties to this process. This does not preclude staff of the RM of Nipawin initiating investigations on their own initiative.
2. Bylaw enforcement investigation will be commenced on submission of written complaints. If the preliminary investigation determines there is basis for enforcement, the normal bylaw enforcement procedure will be followed. If the investigation finds there is no basis for enforcement, the complainant will be informed their complaint does not meet the criteria. Please keep in mind that certain bylaw enforcement investigations can take several months before reaching conclusion. It is not the practice of the RM of Nipawin to necessarily seek a final legal remedy for all alleged infractions.
3. If a residence or individual is allegedly in violation of a RM bylaw and several neighbours deem the violation a nuisance which should be reported, each person is required to fill out individual and separate complaint forms. This assists in substantiating the alleged offenses.
4. As a matter of practice, the identity of the complainant and the written complaint itself shall not be disclosed to the alleged violator or any member of the public except as outlined in section 5 below. In addition, the response of the alleged violator shall not be made public or disclosed to the complainant except as outlined in section 5 below.

CONFIDENTIAL ISSUES

5. The anonymity and confidentiality given to complainants and alleged violators under council policy cannot be assured if the investigation results in court proceedings.

I confirm that I have read this form and understand that the Rural Municipality of Nipawin No. 487 will be unable to guarantee confidentiality of the above information if this matter results in court action.
