Notice to Residents and Partners of the Nipawin Area Waste Diversion Site

The Town of Nipawin would like to advise residents and partner municipalities that effective March 30, 2026, the Nipawin Area Waste Diversion Site (landfill) will transition to a cashless payment system.

Accepted payment methods will include:

- Debit
- Credit
- Approved charge accounts

Cash will no longer be accepted at the site.

In addition, the scale will be fully operational as of March 30, 2026. All applicable loads will be weighed, and fees will be applied in accordance with the established rate structure.

These changes are being implemented to improve accuracy, efficiency, and overall service at the site.

We appreciate your cooperation and understanding as we make this transition.

If you have any questions regarding payment options or account setup, please contact the Town of Nipawin office.

Sincerely,

Jamie Fast
General Manager, Operations and Engineering Services
Town of Nipawin
