

Public Notice

Road Conditions Update

June 30, 2026

The RM of Nipawin No. 487 wants to advise ratepayers and the public that we are aware of serious issues developing on a number of roads throughout the municipality.

Our council and crews have been working hard to bring our level of service up to the standard we expect, including the purchase of additional equipment to support road maintenance. Unfortunately, recent weather conditions have made it difficult to keep pace with the deterioration occurring on some routes.

We ask all motorists to please obey all barricades and road closures. These measures are in place strictly for the safety of the public, and disregarding them can put both drivers and our maintenance crews at risk.

If you encounter a road concern, please contact the RM Office to report it. Your calls are a great help to us in coordinating repairs and prioritizing our response.

We appreciate your patience and understanding as we work to address these conditions.

For road concerns, please call the RM Office at (306)862-9551.
