Town of Nipawin – Landfill Scale Operational March 30, 2026

Dear Residents and Landfill Partners,

We are pleased to share an important update regarding the Nipawin landfill. Following improvements completed in 2025, the landfill will begin operating with a new scale and office system on March 30, 2026. These upgrades are intended to improve service efficiency and ensure fair, accurate pricing for all users.

With the scale becoming operational, waste disposal will now be charged based on weight and the following updated landfill rates will apply.

These changes apply to the Town of Nipawin and its landfill partners, including the RM of Nipawin, the Village of Codette, the Village of Aylsham, and the Resort Village of Tobin Lake. Loads originating outside of these areas will be subject to the non-resident rate.

Residents and contractors must separate recyclable materials before disposal. Loads containing recyclable materials may be subject to sorting requirements at the landfill.

Waste Disposal Rates

Residents

- Minimum Charge: \$13.50 for the first 100 kg
- Rate over 100 kg: \$82.50 per 1000 kg

Non-Residents (30% higher)

- Minimum Charge: \$18.00 for the first 100 kg
- Rate over 100 kg: \$107.50 per 1000 kg

Recycling

- Residential Minimum Gate Fee: \$10.00
- Commercial – Half Ton / Utility Trailer: \$20.00
- Commercial – Large Van / Medium Trailer: \$40.00

Appliances

- Refrigerators and Air Conditioners (large or small): \$40.00

Furniture

- Twin Mattress: \$10.00
- Double Mattress: \$15.00
- Queen Mattress: \$20.00
- King Mattress: \$30.00
- Hide-a-Beds: Priced the same as mattress size

Vehicle Tires (Saskatchewan Scrap Tire Fees)

- Passenger Vehicle: \$5.00 each
- Medium Truck: \$15.00
- Agriculture / Industrial: \$25.00
- Off Road / Mining (small): \$60.00
- Off Road / Large: \$140.00

Clean Wood / Trees and Branches

- Standard Charge: \$10.00

How Loads Will Be Weighed

All vehicles disposing of waste will be required to stop at the scale before unloading. Vehicles carrying chargeable materials will be weighed to determine the appropriate disposal fee based on the rates listed above. Landfill staff will provide direction upon arrival.

For more information, please contact the Town of Nipawin.
