8. The Development Officer may determine that the whole or part of an application fee may be returned to the applicant.
9. If a cheque used for payment of fees or services is returned to the Rural Municipality of Nipawin No. 487 due to non-sufficient funds or closure of the account, the fee is deemed to not have been received.
10. Should the developer engage the use of the planner designated by the municipality AND should the municipality be invoiced for the planner's time, the municipality shall pay the planner's invoice and all costs shall be submitted to the developer for reimbursement.
11. The municipality reserves the right to invoice the developer for any fees or encumbrances to external contractors, municipalities, or individuals that may be incurred during the development.
12. In any case, where the required fee is not listed in Schedule "A", such fee shall be determined by the Development Officer.
