

Road Closures – Spring Thaw Update

The RM would like to advise all residents that multiple roads throughout the municipality are currently closed due to the spring thaw. Warmer temperatures and rapid snowmelt have led to significant water accumulation, with flooding reported in several low-lying areas.

Current conditions limit the effectiveness of repair or mitigation work until water levels decline. Our council & crew continue to closely monitor the situation and will take appropriate action as conditions allow.

We ask residents to:

- Respect all road closure signs and barricades
- Avoid driving through flooded areas
- Use caution when traveling, as conditions can change quickly

We appreciate your patience and cooperation as we work through these seasonal challenges. Updates will be provided as conditions improve.

For urgent concerns we can be reached:

- After Hours / Weekends at (306) 812-8518
- By phone at (306) 862-9551
- By text to (306) 812-9779
- By Email to 487@rmnipawin.ca
