Important League Update:

**National League has been replaced with a new league called N1 which is split across geographies called Districts. For your purpose, the following Districts will be utilized:*

N1 Northeast District 2: NYE and CT

N1 Northeast District 3: NJ , PA, and Northern Delaware

N1 Northeast District 4: Upstate NY (Spring only league)

N1 Mid Atlantic District 1: MD, DC, Southern Delaware, and Central PA

**If you are unsure if you will have any clubs in N1 please feel free to ask.*

N1 is a US Club sanctioned league so unlike EDP and Futures (which will remain using USYS passes) teams will be using US Club passes for all N1 Districts. In addition to that, N1 leagues will be required to use Digital Check-In by the spring season. To get ahead of this we are going to ask teams to pilot it this fall.

The Digital Check-In is done through gotSPORT which all US Club cards are approved in as well so all rosters will automatically be added to the match card. To use the digital check in process, referees will be asked to either scan a QR code from the team's phone that will take them directly to the check-in or they can download the gotSPORT app to do it. A demo of the app and downloading of the app can be found here:

<https://national1league.org/resources/>

**an additional email will be sent prior to the start of this season that can be shared with the referees for N1 games.*

N1 Substitution Rules:

- 13U-14U - Unlimited over three (3) moments* per half + halftime
- 15U-19U - Unlimited over four (4) moments* per match + halftime

**Substitutions may be made at any stoppage of play with the approval of the referee.*

***EDP League and Futures will still utilize unlimited substitutions*
