Referee fees are to be split equally by both teams and paid to the referees prior to the start of the match. **Teams are to ONLY pay referees who are present at the start of a match.**

For games hosted in CT using the listed assignors*, the home team will be invoiced by the assignor as is customary in CT. The away team will provide their share (1/2 of the total fee) to the home team official instead of the referee.

- Iannone
- Mozzo
- Referee Services CT

For games hosted in NY (all other assignors*), both teams will continue to provide their share (1/2 of the total fee) to the center referee.

**The assignor is listed in the host column for each match on the public schedule.*
