

June 10, 2022

On behalf of the Connecticut SGNA, I would like to take this opportunity to invite your company to participate in our annual fall seminar “Beyond the Scope 2022” to be held on October 15th, 2022. The venue for this year’s conferences is:

**DoubleTree by Hilton
42 Century Dr.
Bristol, CT 06010
(860) 589-7766**

This marks the 30th year of the CTSGNA Beyond The Scope Conference and we are all aware that there is a tremendous need and opportunity for increased education, visibility and awareness regarding state of the art tools and technologies to assure that the patients cared for by GI staff receive the highest level of quality service. This is an excellent opportunity for nurses and associates in the GI specialty throughout the Northeast to meet the exhibitors and discuss the products currently in the market.

Nurses and Associates will be visiting exhibitor booths during registration/breakfast and morning break. On October 15th, set up for the conference will be between 6:00 am to 6:30 am (** please note this new time if you have attended in the past**). We ask that you maintain your set up until after the morning break. The facility will need to know the number of tables/electrical set-ups you will need for your display. You can contact the hotel directly with this information.

Space is limited; in order to insure that you will have a table, please remit the \$400.00 dollar exhibitor fee by August 15th, 2022. We will not reserve a table for you until your fee is remitted. Your early participation and contributions are greatly appreciated and allow our organization to provide an educational opportunity to our members. We look forward to your support. A copy of our W-9 is available upon request.

Sincerely,

Kathy Vinci, RN, CGRN
Exhibitor Committee Chairperson
CT SGNA Annual Fall Seminar, BEYOND THE SCOPE 2022
