

February 2026

On behalf of the Connecticut SGNA, I would like to take this opportunity to invite your company to participate in our annual fall seminar “Beyond the Scope 2026” to be held on September 26, 2026. The venue for this year’s conferences is:

**Water’s Edge Resort and Spa 1525 Boston Poast Rd. Westbrook, Ct. 06498 (860) 399-5901**

This marks the 34th year for the CTSGNA – “Beyond the Scope Conference”! We are aware that there is a tremendous need and opportunity for increased education, visibility and awareness regarding state-of-the-art tools and technologies. Providing this information to attendees, helps assure that our patients receive the highest level of quality service. This is an excellent opportunity for nurses & associates in the GI specialty throughout the Northeast to meet the exhibitors and discuss the products currently available to ensure best practice for our patients.

Our attendees will be visiting exhibitor booths during registration/breakfast and morning break.

On September 26th, 2026, set up for the conference will commence between 7:00 am to 7:30 am (\*\* please note this new time if you did not attend last year\*\*). We ask that you remain set up until after the morning break. The facility will need to know the number of tables/electrical set-ups you will need for your display. You can contact the hotel directly with this information.

Space is limited, in order to ensure that you will have a table, please remit the \$1000.00 dollar exhibitor fee by August 30, 2026. We will not reserve a table for you until your fee is remitted. Your early participation and contributions are greatly appreciated and allow our organization to provide an educational opportunity to our members.

We look forward to your support.

Sincerely,

Kathy Vinci, RNC, CGRN 860-977-6746

Ann Russo, BSN, RN, CGRN

Exhibitor Co-Chairs CTSGNA, BEYOND THE SCOPE 2026
