Did you know?

Did you know that CT SGNA was founded in 1978?

SGNA.org

The purpose of CT SGNA is to bring the benefits of national membership to SGNA members at the local level:

- To unite in one Regional Society persons, licensed, unlicensed, engaged in any capacity in the fields of gastroenterology.
- To encourage and develop educational programs for persons in such fields.
- To advance the technology, science, and arts of practitioners in such fields.
- To advocate optimal care for patients with digestive disease and those undergoing diagnostic and therapeutic procedures.
- To cooperate with other professional societies, corporations, and governmental bodies involved in such fields.
