The Lewiston Peace Garden “Memory Lane”

Nothing is as peaceful as a beautiful garden...

The Village of Lewiston, Lewiston Council on the Arts and the Niagara River Region Chamber of Commerce have forged a partnership to create the Lewiston International Peace Garden, a beautiful and secluded courtyard situated between three of Lewiston’s most historic buildings: the Frontier House, the Little Yellow House, and the Big Yellow House. The garden was initiated by the LCA and continues to be a partnership with many other community groups and volunteers.

On July 3, 2010 this courtyard was dedicated as a War of 1812 Binational Art of Peace Garden and is included on a map which will highlight peace gardens for visitors on both sides of the border. It has also been designated as an International Peace Garden, part of the Peace Garden Trail, and OPEN Garden Walk Buffalo Niagara.

You can be a part of the Lewiston Peace Garden. Please consider purchasing an engraved brick as a permanent and lasting gesture of love and peace for a friend, loved one or yourself to commemorate a birthday, anniversary, church, class or business. All monies received will be used only to enhance the space.

476 Center Street, Lewiston, New York 14092
