WHEREAS, Governor Kathy Hochul released her 30-day amendments to the Executive Budget, which include an additional \$100 million in Temporary Municipal Assistance (TMA) to be allocated in the same manner as in the past two years; and

WHEREAS, these additional investments reflect a recognition that New York's strength begins in its cities, villages, and towns, and that a strong state-local partnership is essential to delivering the services, infrastructure, public safety, and quality of life that residents expect and deserve; and

WHEREAS, local governments across New York continue to face mounting fiscal pressures driven by inflation, increased service demands, infrastructure needs, and rising operational costs, while striving to provide relief to taxpayers amid a rising cost of living; and

WHEREAS, NYCOM Executive Director Barbara Van Epps, along with mayors from across the State, testified at the Local Government Joint Budget Hearing in Albany, advocating for increased unrestricted aid and a strengthened state-local partnership; and

WHEREAS, the additional \$100 million in TMA will offer meaningful assistance to many municipalities statewide, helping to address fiscal challenges and maintain essential services for residents;

NOW, THEREFORE, BE IT RESOLVED, that the Village of Lewiston applauds Governor Hochul for recognizing the importance of investing in local governments and for reaffirming her commitment to strengthening New York's cities and villages; and

BE IT FURTHER RESOLVED, that the Village of Lewiston urges the New York State Legislature to include, at a minimum, this additional \$100 million in Temporary Municipal Assistance in the adopted state budget; and

BE IT FURTHER RESOLVED, that the Village of Lewiston calls upon the Governor and the State Legislature to develop a more permanent and predictable solution for unrestricted municipal aid to ensure long-term fiscal stability for New York's local governments; and
