DISCUSSION

NIAGARA UNIVERSITY DISCOUNTED TUITION PROGRAM
Law Council Leone stated that the offer made by Niagara University for a 25% discount to employees of the village, as well as immediate family, for graduate level work. He stated that he looked into the ethical issues in regards to this; because it is not singling out one person or one village, he doesn’t see an issue with it. Law Council Leone also got a second and third opinion with NYCOM, who also agreed with him.

ADDITIONAL STREET LIGHTING – 500 BLOCK OF TUSCARORA
A discussion on the request for additional lighting on Tuscarora Street, especially near the 500 block, took place.

Superintendent Wills stated that this is where Niagara Street used to go all the way through, where the old bridge was.

Mayor Welch was unsure on where additional street lighting would be able to be placed, and suggested cut back any overhanging brush and limbs and to coordinate with Art Park to maintain their property around the existing lighting in hopes to brighten the area.

COST SAVINGS FOR FUTURE BUDGETS
Trustee Marasco brought up that we used to pay $2,500 per year for the Niagara Shuttle, but have not paid that since the first year; the bed tax takes care of that cost. This is still in the budget.

Mayor Welch stated that this can be removed from the budget.

Trustee Eydt commented that if not used this money will roll back into the general fund.

Trustee Marasco addressed that the cost for public notices is more than the $35 fee we charge for the applications.

Clerk Treasurer Amy Salada stated the cost for the meeting notices is between $40-$50.

Mayor Welch stated that we need to raise the fees to $50; that we will have to amend that section for the next meeting.

Trustee Marasco discussed building permits, asking if there was a time limit for work to be completed, and addressed that the amount of time taken for use of the issued permits is not always being followed up on; Trustee Marasco stated that some of the work being done is on target and some is not.

Mayor Welch and Trustee Eydt said that in the code it states the work should be started and completed within six months.

Clerk Treasurer Salada said building permits are not always picked up, and suggested that we charge more for not doing so, and asked if the unpaid permit fees could go on tax bills.

Mayor Welch said that any outstanding bill can go on the village taxes.
SOLICITATION LETTER FOR NEIGHBORHOOD WATCH GROUP – PLAIN ST.
A solicitation letter for a neighborhood watch group was addressed.

Law Council Leone stated this is freedom of information, this is their right to send out.

Chief Previte said this is a social type site with ads, looking for audience, and advised to always be careful.

Mayor Welch suggested to round file this letter.

HIRING – CLERK’S OFFICE
