What is the RSU22 Education Foundation?

OUR VISION: The Foundation will encourage community-wide financial and inspirational support for our district's students and teachers, promoting excellence for the present and into the future.

OUR MISSION: The RSU22 Education Foundation is an independent, non-profit organization of community members committed to fostering innovations and excellence in the RSU22 schools by: funding initiatives that fall outside the school budget; partnering with the school district to help achieve it's vision; and building community-wide support for the benefit of our schools.

How to get involved: We are led by a board of directors who represent Frankfort, Hampden, Newburgh and Winterport. It is important for us to maintain equal membership in each of these towns. Whether you are able to donate your time, resources, or expertise, your involvement can make a meaningful difference in supporting education and empowering students.

What is the “**KEEP IT LOCAL!**”

Business & Community EXPO all about?

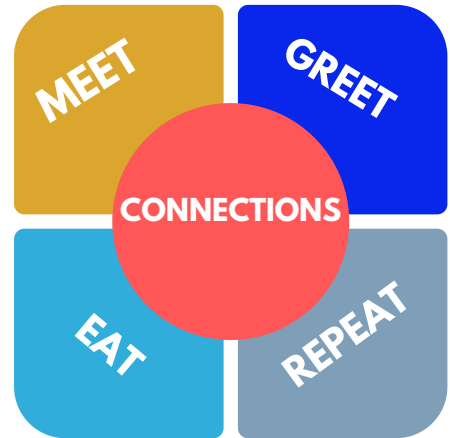

Meet: It's about the power of networking within the community.

Greet: It's about giving small businesses and solo entrepreneurs a bigger voice and an opportunity to get to know the community and each other better or to simply say hello.

Eat: It's about keeping our money circulating locally and eating good food.

Repeat: It's about encouraging face-to-face communication in our community.

To sum it up, the Keep it Local Expo is about making connections and supporting community!
