COMMUNITY EXPO & KIDS CARNIVAL

Business. Wellness. Family Fun.

WHY SPONSORSHIPS MATTER

Community sponsorships are essential to making the Community Expo & Kids Carnival possible. The cost of hosting a safe, welcoming, and high-quality event—including facility use, equipment, marketing, printing, activities for children, and logistics - totaled approximately \$8,000 for the last Expo. Thanks to the support of local businesses and organizations, these costs were covered while still allowing the RSU22 Education Foundation to award \$2,000 in Teacher Mini Grants directly to RSU22 educators. Sponsorships not only help sustain this event, they provide meaningful visibility for businesses within the community—connecting sponsors with families, caregivers, and residents while demonstrating a shared commitment to education, wellness, and local engagement.
