

WHO WE ARE

The East Greenwich Education

Foundation (EGEF) is an independent, 501(c)(3) nonprofit organization that promotes excellence in public education.

The EGEF awards grants to educators who enhance the classroom experience through **innovative, creative, and sustainable approaches** to teaching and learning.

The EGEF **funds initiatives at all six public schools in East Greenwich.**

We work closely with the schools, administration, teachers, parents, and others in pursuit of our mission.

The EGEF **does not supplant the school district budget** but rather, funds new programs and initiatives beyond its scope.

Since 2009, EGEF has awarded 88+ grants totaling more than \$476,000.

The continued success of the EGEF mission depends on the support of our community.

Please, donate today.

EAST GREENWICH EDUCATION FOUNDATION

EAST GREENWICH,
RHODE ISLAND

SPRING 2021 GRANT AWARDS

TOTAL AWARDED: \$19,800

East Greenwich High School

- **Equitable Instruction and The Station Rotation Model** : 6 crescent shaped tables design the proper environment for the station rotation model, supported by the English Language department's StudySync curriculum. With this design students will equally engage in collaborative, independent and teacher-directed instruction each period to increase engagement and learning.
- **3D Scanner** : A 3D scanner used for students to create designs such as model wind turbine blades in Renewable Technology class.
- **Avenger Unified Path**: Outdoor exercise area and path specifically targeting adaptive physical education standards. This outdoor space will include access to various outdoor exercise equipment, focus on strength training and team building, as well as allow for an additional tool/environment for students to address some social emotional goals.
- **Hallway Book Art** :Materials will be purchased for a student led wall art project for the highschool hallways that reflect the current Language Arts curriculum as well as contemporary reads with literary merit.

Frenchtown & Meadowbrook Farms Elementary Schools

- **Musical Playground Part II**: Students will gain the addition of "tenor trees" to an outdoor musical playground designed to explore musical sounds, pitch and rhythm concepts through collaboration and musical games.

Meadowbrook Elementary School

- **First Grade and Beyond - The power of mindfulness, social emotional learning and meditation for the young learner**: A classroom set of hardcover books and journals focusing on mindfulness and gratitude will be incorporated into the district initiative of social and emotional learning through the Second Step curriculum used at Meadowbrook Farms School.

*Excellence in public education requires resources;
your contribution is a powerful investment in the future of our children.*

*We thank everyone who shares in our vision - and makes it possible,
for outstanding public education in East Greenwich.*

FALL 2020 GRANT AWARDS

TOTAL AWARDED \$21,474

East Greenwich High School

- **EGHS Library Art Display**: Student-created art and sound proof panels that foster community and enhances learning space in the library.
- **Life Skills Color Printer**: Color printer will improve accessibility and comprehension of materials presented to Life Skills students.

George R. Hanaford Elementary School

- **The Walking Classroom**: Through age-appropriate MP3 players podcasts, students listen to stimulating topics in ELA, social studies, and science and engage in class discussion and activities.

Frenchtown and Meadowbrook Farms Elementary Schools

- **The New Virtual Classroom: Reaching Our Students' Needs Both In-Person and Distance**: LexiaCore will help monitor and enrich our youngest learners' phonics and reading skills.

Eldredge, Hanaford, Frenchtown, and Meadowbrook Farms Elementary Schools

- **Making Music in a Virtual Reality**: MacBook software allows for music arrangement, edits, and compilation of individual recordings to share and combine into performances virtually.
-
