

East Greenwich Teachers, DID YOU KNOW there are funds available to support your innovative ideas?

Who We Are

The East Greenwich Education Foundation (EGEF) is an independent, 501(c)(3) nonprofit organization that promotes excellence in public education. To date, we have awarded more than \$500,000 in grants to teachers in our schools!

What We Do

- The EGEF awards grants to educators who enhance the classroom experience through **innovative, creative, and sustainable** approaches to teaching and learning.
- The EGEF funds initiatives at all six public schools in East Greenwich. We work closely with the schools, administration, teachers, parents, and others in pursuit of our mission.
- The EGEF does not supplant the school district budget but rather, funds new programs and initiatives beyond its scope.

What Kinds of Grants are Awarded

- We support all areas of the curriculum.
- We look for three qualities in a project: innovation, creativity, and sustainability. The EGEF encourages collaboration among educators and the community in order to generate new ideas for programs and classroom initiatives.
- Please see our grants rubric on the reverse side of this flyer.

How To Get Started

1. Go to our website to learn more: <https://egefri.org/types-of-grants-we-award>
2. Apply! Our application is user-friendly and streamlined. It's available right on our website: <https://egefri.org/application-process>

Please Reach Out

Our teachers are our heroes! We understand that right now, a grant application may be forced to a back burner position on your growing list of responsibilities and we want to help. Contact our grants team (grants@egefri.org) with any questions about our application process. **If we can make the process easier for you, we will!**

Application Deadline is March 15, 2022
