

JACK JAMES

JSCC SCHOLARSHIP
WINNER 2022

I started racing at Rye House in 2016 in their GT Cup Championship and by 2019 I was 4x vice champion. I soon moved on to tracks such as Buckmore Park and Brentwood Karting where I have also had more wins and podiums. At the start of 2022 I was ranked top 10 in the UK in the Sodi World Series. I have also competed in other junior scholarships reaching the top 5 and throughout the 2021 season I raced with Club100 in their Young Drivers Championship where I achieved top 5 finishes and podiums. I am thrilled to have won the scholarship and I am excited for the season ahead with Team Orex.
