

APPENDIX A

Flood Protected Area Information
 ----- County, Missouri
 River Miles ---- to ----, Unit: ---- Levee System ID: -----

Items Protected by the Primary Levee

Buried and over head communication lines	
----- (telephone)	ft
----- (Fiber Optics) (No. of cables)	ft
City of ----- Fiber Optics (wells)	ft

Buried and over head power lines	
City of ----- (-- Ph primary)	ft
REA Elec Coop (-- Ph primary)	ft
Ameren UE (--Ph Primary)	ft
Total	ft

Buried potable water well lines (raw water)	
City of ----- (Water & Light Dept)	
--“ Ductile Iron Pipe (DIP)	ft
--“ DIP	ft
--“ DIP	ft
--” DIP	ft
--” DIP	ft
--” Reinforced Concrete Pipe (RCP)	ft
Total	ft

Misc. buried pipelines	
City of ----- (Public Works Dept.)	
--” Sewage effluent line	
Reinforced Concrete Pipe (RCP)	--- ft
Missouri Department of Conservation (MDC)	
--” Sewage effluent line	
w/- ---” gate valves RCP	ft
----- Pipeline Co. (steel pipe)	
Refine Petroleum (gasoline & diesel)	ft
----- Natural Gas Pipeline Co.	
Natural gas	ft

Municipal potable water wells & pumping facilities	
Protected by Primary Levee	
City of ----- (Water & Light Dept)	
Alluvial potable water wells w/ --” casings	
-- million gallons per day (MGD)	-- wells

Protected by Secondary Levee	
City of ----- (Water & Light Dept)	
Alluvial potable water wells w/ --” casings	
-- million gallons per day (MGD)	-- wells

Private landowner water wells	
Domestic potable water wells	
Deep hard rock wells w/ --” casings	- wells
Irrigation Wells (-,000 GPM)	<u>- wells</u>
Total	- wells

Heritage

Trees, buildings ?? Tree (-----)	No. Items
Sewage Treatment Facilities	
City of ----- (Public Works Dept)	
Triplex? sewage effluent lift station -- MGD+	1 Station
City of ----- (Public Works Dept)	
-- cell wetlands wastewater treatment unit # --	
WTU # --, -- MGD+	-- Acres
MDC ----- Conservation Area	--- Acres
Multi-cell wastewater treatment/aquatic wildlife areas	
Reinforced Concrete water level control structures with ---" sluice gates	- structures w/ sluice gates
Earthen water level control berms for -- aquatic wildlife pool areas	----- ft
Main public and private drainage ditches (-' F.B.D. X -' deep X --:1 slopes)	
KATY Trail State Park, ---- Co. MKT Trail, County Roads, and private cultivated fields	----- ft
MDC wildlife water conveyance and access road ditches	
County Road ditches, Wetland cell unit channels and cultivated field ditches	----- ft
Total	----- ft
Research Facilities	
US Dept of Interior USGS	
Ground water monitoring wells	Total -- wells
Recreation Facilities	
Missouri State KATY Trail Park	----- ft
City of ----- MKT Trail Park	----- ft
City of ----- MKT Trail Park	----- ft
Rest Stop Shelter	-- Building(s)

Items Protected by Secondary Levee

Private property (crop fields)	----- Acres
Public property: (City of -----wells)	----- Acres
Municipal potable water wells & pumping facilities	
City of ----- (Water & Light Dept)	
Alluvial potable water wells w/ --" casings	
-- million gallons per day (MGD)	-- wells
Buried power and Fiber Optic lines	
City of ----- (3 Ph primary)	----- ft
City of ----- (Fiber Optic)	----- ft
Buried potable water well lines (raw water)	
City of ----- (Water & Light Dept)	
---" Ductile Iron Pipe (DIP)	----- ft
Public Property: MDC	----- Acres
