Who are we?

Ultra Filter Clean™ is a professional group that strives toward better filtration for your equipment and every day life.

Our goal is to provide you, our customer, the best in filter cleaning you can get without breaking the bank in the process.

What we Clean:

*Air Filters - Oil Filters
Natural Gas Turbine Filters
Smoke Eater Filters
DPF's & DOC's - Flame Arrestor
Power Core Filters
Fracking Silo Filters
Furnace Filters
Box Filters - Panel Filters
And much more!*

What makes us Different?

Our innovative cleaning processes make it possible to get that deep clean your filters/coolers deserve. We get your filters close to that factory flow as if it was bought brand new, assuring you that your equipment will run at it's best.

Nothing leaves our shop until it passes our tests, ensuring you never have a faulty filter.
