VALOR-K9 STUD SERVICE AGREEMENT

1. PURPOSE

This agreement is made between the Stud Owner and the Bitch Owner for the purpose of breeding their registered female dog ("the Bitch") to Nahkaito Vom Haefner, via Transcervical Insemination (TCI) or shipped semen only.

2. BITCH INFORMATION

Registered Name: _____	Owner Name(s): _____
Breed: German Shepherd Dog	Address: _____
AKC Registration #: _____	Phone: _____
Date of Birth: _____	Email: _____

3. REQUIREMENTS FOR BREEDING

It's a Valor-K9's policy that every Bitch meet the following requirements prior to breeding:

- AKC Registered / SV Registered
 - X-Rays clear of Hip Dysplasia
 - Tested & found negative for Brucellosis (test must be done by a licensed veterinarian within seven days of breeding; proof in writing must be provided)
-

4. STUD SERVICE DETAILS

- Live local cover, TCI or shipped semen is permitted.
 - No natural breeding will be performed.
 - Semen will be collected and shipped – depending on availability by either Willow Creek Veterinary Clinic, Folsom, CA or by Kokopelli Veterinary Services, Sacramento, CA.
 - Collection and shipping fees are the responsibility of the bitch owner and are paid directly to the collection facility prior to shipment.
-

4. STUD FEE

- The total stud fee is \$1,500.00, plus collection and shipping costs. A non-refundable deposit of \$300.00 is required to initiate collection, and semen will be collected within 48 hours of the deposit being received. The remaining balance of \$1,200.00 must be paid in full prior to shipment.
 - Arrangements can be made for collection and storage at the expense of the bitch owner.
 - Payment is non-refundable once semen has been collected.
 - A return service (rebreed) will be offered only if no pregnancy results, as outlined in Section 7.
-

5. SEMEN SHIPMENT

- Semen will be shipped chilled or frozen, depending on the arrangement between parties.
- The bitch owner is responsible for all costs associated with storage and shipping of semen to and from Sacramento International Airport (SMF), California.
- The stud owner makes no guarantees regarding the handling of semen once shipped.
- The bitch owner is responsible for proper timing, insemination, and veterinary care.
- Upon request, Valor-K9 can provide transportation of cooled semen within a 100 mile radius from Lincoln, California for \$300 per trip.

6. PREGNANCY CONFIRMATION

- The bitch owner must notify the stud owner within 30 days of breeding whether the bitch is confirmed pregnant.
- Confirmation must be made by a licensed veterinarian via ultrasound or palpation.

7. REBREED POLICY

If the bitch fails to conceive, one (1) rebreed will be granted under the following conditions:

- Written proof of non-pregnancy is provided by a licensed veterinarian.
- The same bitch is used unless otherwise agreed upon in writing.
- The bitch must not change ownership or the right to return service is forfeited.
- The rebreed must occur within 12 months of the original breeding.
- The bitch owner is responsible for all additional collection and shipping costs.
- After two unsuccessful breeding, Valor-K9 is under no obligation.

8. LITTER REGISTRATION

The stud owner will sign the AKC litter registration upon:

- Receipt of notification of a live litter.
- Full payment of the stud fee and any outstanding costs.

9. HEALTH GUARANTEE

- Both dogs are to be in good physical health and free from infectious diseases, including brucellosis (negative test within 30 days of breeding).
- Copies of all health certifications (hips, elbows, DM, etc.) must be provided upon request.

10. LIMITATIONS OF LIABILITY

The stud owner is not liable for failure of the bitch to conceive or for any veterinary or shipping complications beyond their control.

11. ENTIRE AGREEMENT

This contract represents the entire agreement between both parties. No other warranties or guarantees are expressed or implied unless stated in writing and signed by both parties.
