

Other organizations in your area that come to mind that you could possibly collaborate with

Organizations you know will fit your mission, vision, and/or values

Organizations you have a contact at or have heard of but don't have much details

Organizations you have heard of but need to research

From one of the boxes above, chose ONE organization and complete the following:

Possible benefits of collaboration

Strengths and weaknesses of first choice organization (if known) and your organization

What would you discuss in the introductory meeting?

Best person from your organization to contact this group

What would you do with first choice organization (explain partnership, program, etc)

NOTES:

After the Conference

Action Plan

Use this sheet as a guide for your action plan once you get back home

- 1. What organization(s) are you going to contact?**
- 2. Who will contact them to set up a meeting?**
- 3. By what date do you want to schedule a meeting?**
- 4. What date would you want to do a collaborative event with the other organization(s)?**
- 5. What would the collaborative event look like?**
- 6. How will organization benefit from this collaboration (why not just do it alone)?**
