## Summary

Seeking to contribute to a future Stanley Cup championship as part of a NHL team's Amateur Scouting staff, based in the Detroit-area. Various roles at different levels have afforded me the opportunity to learn from many accomplished individuals. I am constantly seeking ways to improve evaluation skills and processes to become a more accurate assessor of future NHL talent. Desires to be part of a forward-thinking organization that challenges the status quo in order to stay in front of the competition.
