Glucoamylase (50 AG/g), Maltase (100 DP/g), Invertase (500 SU/g), Lipase (2,500 FIP/g), Cellulase (2,500 CU/g), Acid Protease (50 SAP/g), Lactase (500 ALU/g), Papain (950 TU/g), Amylase (2,500 SKB/g), Fungal Protease (5,000 HUT/g).		
PreforPro® bacteriophage (LH01-Myoviridae, LL5-Siphoviridae, T4D-Myoviridae, LL12-Myoviridae)	15 mg	*

[†]Percent Daily Values are based on a 2,000 calorie diet.
*Daily Value not established.

Other ingredients: Natural flavors, potassium citrate, gum blend (xanthan gum, guar gum), monk fruit extract (25% magrosides) and Rebaudioside M

- 🧬 Supports Phase I and II Detoxification
- 🧬 Promotes Gastrointestinal Health*
- 🧬 Supports Methylation*

AptoClear Complete formula was designed to combine Pea protein with Pumpkin seed protein, boosting their bioavailability with the addition of leucine. *

On top of the protein blend, we've included powerful ingredients for detox support and biotransformation. Anti-inflammatory herbs like turmeric, Glycine, NAC, Citrus bioflavonoids, Pomegranate extract, and Calcium D-glucarate all work together to improve gut bacterial and immune function. *

Beet fiber and Glucomannan is added for their fiber content and ability to bind mycotoxins. And, to boost probiotic bacteria. *

AptoClear Complete provides bioavailable protein, stimulates and supports the gut microbiome, stimulates and supports the detoxification systems, and has ingredients to help bind bile acids and take them out of the body.*
