Iron	0.48 mg	3%
Sodium	30 mg	1%
Whole Egg Powder	4.5 g	†
PreticX [®] 95P Xylooligosaccharides (XOS)	1 g	†

*Percent Daily Values are based on a 2000 calorie diet.
† Daily Value not established.

Other Ingredients: Natural Flavor, Luo Han Guo Fruit Extract (Sweetener), Silicon Dioxide.
PreticX[®] is a registered trademark of AIDP.

Contains: Egg.

- Provides immunoglobulins and regulating factors that promote gut health*
- Promotes balance for inflammatory cytokines*
- Boosts passive immunity to help defend against immune challenges*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

GI Immune Restore provides egg based IgY immunoglobulins and immune cofactors that help support immune function, cytokine balance (which includes lowering CRP), and a healthy intestinal environment for improved gut function. In fact, this product has been shown clinically to lower zonulin thereby improving leaky gut. It also improves the histamine/DAO ratio and increases the presence of beneficial bacteria.

IgY immunoglobulins are proteins that help the body recognize and fight off foreign invaders like bacteria, viruses, and fungi. GI Immune Restore is sourced from hens that have been inoculated with more than 26 common human pathogens. By taking this product, it provides you with those immunoglobulins, paralleling the way human immunoglobulins (IgG) confer passive immunity to the human being who consumes.
