# INTRODUCTION

**THE UPPER HUNTER REGIONAL SHOW HAS OVER  
6000 PATRONS WHO VISIT OUR SHOW AND OVER  
1500 THAT COMPETE IN IT**

The Upper Hunter Show is conducting its 134th show on the 14th-16th of March 2025.

This is the largest event held in our local area. The demographic base represents the towns of Muswellbrook, Denman, Aberdeen, Scone and Murrurundi, with competitors and exhibitors being drawn from statewide and beyond.

# ABOUT THE EVENT

The main Show will again be conducted over two days, with the Horse show extending over three days including Sunday 16th March. Although commencing on Friday, the Show will be officially opened on Saturday 15th by a local dignitary, along with the crowning of our own 2025 Young Woman of the Year.

Premier Horse events will include District Hack, Riding Events, Breed Classes, Australian Stock Horse Classes, and Open Hack along with the Heavy Horses, Australian Saddle Ponies, Miniature Horse, and Harness Classes. The Thoroughbred Event will highlight the Showjumping, and the State of Origin Polocrosse held over both days (three games) will provide many thrills.

Beef Cattle will encompass the School Beef Cattle judging day on Friday and the Beef Breed Classes on Saturday. Poultry classes are also judged in the purpose-built Poultry Pavilion.

The 10ha area of our Showground will be packed with displays and entertainment to educate and entertain patrons from all backgrounds. On Friday night we will have the thrills and spills of the Triple B Bulls, Broncs and Barrels. Saturday will again have the "Kids vs Strongman Tug of War", along with "Wife Carrying Challenge" and our "Young Farmers Challenge" where our winner will have the opportunity to represent our region at Sydney's Royal Easter Show.

On Saturday evening all the action of the Demolition Derby and the grand finale fireworks.

Major entertainment booked for this year is the Trackskill V8 Ute Show. The old rivalry between Holden and Ford lives on and here we battle it out with the best of 3 races and a relay race with maybe some lucky fans from the crowd actually participating in the races. There will be lots of Big V8 noise and sideways action.

# EVENT HIGHLIGHTS

## RODEO

Bull's broncs and barrels is our featured Friday night event. The rodeo arena offers a bar, casual seating on the bank as well as the grandstand. Live entertainment will be playing along with the loudspeaker keeping everyone informed of all the action in the ring.

## DEMOLITION DERBY

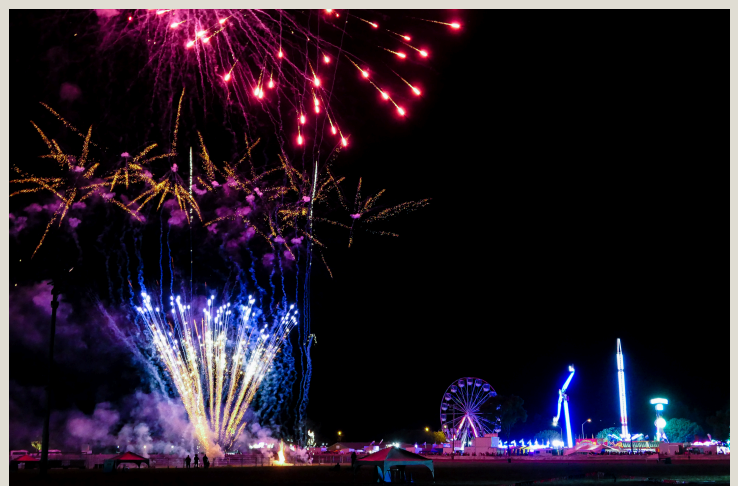

The Demolition Derby has tons of car crashing, engine revving, dirt-flying fun. Cars will deliberately smash into each other in a crazy car-crunching battle. It's a demonstration of deliberately mean and hilarious driving skills, to see who can be crowned the worst driver.

## TRACKSILL V8 UTE SHOW

The old rivalry between Holden and Ford lives on and here we battle it out with the best of 3 races and a relay race with maybe some lucky fans from the crowd actually participating in the races. There will be lots of Big V8 noise and sideways action.

## FIREWORKS

Saturday nights Grand finale will enable the crowd to sit back and relax and watch the amazing Fireworks display in the main arena.
