Capsules

The preferred Choice

For win over the battle of Hemorrhoids

Dobecure Cream

Calcium dobesilate 0.25% w/w, Lignocaine hydrochloride 3% w/w, Hydrocortisone acetate 0.25% w/w & Zinc oxide 5% w/w Cream

3 in 1 Action

VASOPROTECTIVE
LOCAL ANESTHETIC
ANTISEPTIC

- ✓ Lidocaine is a local anesthetic which blocks pain signals from the nerves to brain thereby decreasing pain sensation.
- ✓ Calcium Dobesilate is vasoprotective medicine which strengthen the blood vessels in the affected area and promoting healing.
- ✓ Hydrocortisone is a steroid which reduces redness, itching, and swelling.
- ✓ Phenylephrine is a decongestant that shrinks the swollen blood vessels to further relieve itching and irritation in piles.
- ✓ Zinc Oxide has astringent and antiseptic action.
