The Perfect Travel & Vacation–Based Business!

• **Public Skills needed:**

Active Listening — Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.

Speaking — Talking to others to convey information effectively.

Service Orientation — Actively looking for ways to help people.

Reading Comprehension — Understanding written sentences and paragraphs in work related documents.

Social Perceptiveness — Being aware of others' reactions and understanding why they react as they do.

Coordination — Adjusting actions in relation to others' actions.

Judgment and Decision Making — Considering the relative costs and benefits of potential actions to choose the most appropriate one.

Active Learning — Understanding the implications of new information for both current and future problem-solving and decision-making.

Complex Problem Solving — Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
