NOMINATIONS

It's almost time for nominations for the Legacy Shores POA Board of Directors! On November 1st, you'll receive an email to nominate candidates using ElectionBuddy, a secure, cloud-based voting platform designed to simplify the election process and help ensure election integrity. Larry Doran, Dennis Hanke, and Brad Kamber are completing their two-year terms, so three positions will be available. All you need to do is open the email and follow the instructions to nominate qualified candidates.

Keep Feeding the Hummers

Do you enjoy playing Left-Right-Center? Come join a fun group of ladies on the fourth Thursday of every month! Colleen Oakley hosted the August game night, and Kathy King hosted the September game night - a fun time was had by all. Our next game night will be hosted by Robin Chester on October 22nd at 6:00 p.m. Robin will send out a reminder text, but feel free to RSVP at 865.659.3941. There is no need to bring anything except 15 one-dollar bills and your competitive spirit! If you've never played, please join us - even if you just want to observe the first time. It's loads of fun and lots of laughs.

Be sure to mark your calendars for the fourth Thursday of each month, however, the ladies take November and December off and will resume in 2027!

Legacy Shores CC&R Compliance

By now, you should have received several emails from the Legacy Shores BOD regarding compliance with the CC&R's and highlighting several areas of concern that need to be addressed. Thank you to those who have already addressed these concerns! If you have not yet done so, please make every effort to correct them. In October, the Board will begin reviewing progress and will send individual notices to homeowners who remain out of compliance. You can always contact the Board for more information.

Legacy Shores Women's Luncheon

In September, the ladies enjoyed lunch at Bluetick Tavern. For October, we are meeting on Tuesday, October 6th, at the recently opened Tanasi Waterfront Dining at 11:30 a.m. See <https://tanasiwaterfrontrestaurant.com/> for menu selections.

USDA to Airdrop Millions of Rabies Vaccine Doses Over These States

As rabies remains a serious public health concern, the U.S. Department of Agriculture will be spreading millions of rabies vaccine doses in bait across the Southeast.

The annual program is aimed at stopping the spread of raccoon rabies by airdropping and distributing fishmeal-coated vaccine sachets for wildlife to consume.

Tennessee is scheduled for at least one of these drops. If you encounter rabies vaccine sachets, leave them undisturbed. They are safe for domestic dogs and cats. The USDA said dogs that eat multiple baits may experience a temporary upset stomach, but there are no long-term health risks.

Wedding Thanks

A huge THANK YOU to our wonderful neighbors for all the love, support, patience, and good wishes during our wedding preparations - and for graciously putting up with the little inconveniences that came along with having a wedding celebration in the neighborhood! ❤️

Our wedding ceremony was beautiful and truly **filled with God's love and blessings**, followed by a fabulous reception filled with laughter, love, dancing, and plenty of celebrating. We definitely had a party!

And just when we thought the celebrating was over, many of our neighbors helped us keep the fun going on Sunday at our **"Happily Ever After Brunch."** It was the perfect way to wrap up an unforgettable weekend and spend a little more time celebrating with people who mean so much to us.

We feel incredibly blessed - not only to have found each other, but also to live in such a caring, fun, and supportive neighborhood.

Thank you for being part of our happily ever after! ❤️

With love and gratitude,

The Newlyweds — Terrie & Dave

Neighborhood Referral by Dave Lykken

Dave & Terrie recently hired Will to hard-wire Dave's computer to the internet to maximize speeds for his podcasts. Will did an excellent job running CAT-5 cabling in the wall, as well as installing new high-speed EERO wireless routers, including one that sends a high-speed signal down to the dock and out to the lake. See his card above for all his other services. Talk to Dave for a referral or give Will a call directly @ **720.431.0014**.

Neighborhood Party

- Saturday, October 31st: Halloween @ **Coleman's** - BYOB, chairs, and a snack to share!
- The ladies will start trick-or-treating at Rachel Duncan's house at 6:30 p.m.

- Once the ladies have visited your house, the men will congregate at Coleman's around the fire pit until the ladies arrive.
- Several ladies have offered to have their golf carts available.
- To help move the growing crowd along, it would be helpful if several of the men (or households) provide tricks or treats together at the end of a driveway.
- Stay tuned for further details.

If you are not comfortable using an online payment service, contact Steve Buelow (703) 400-6811 for instructions on how to pay by check.

We "kicked off" our campaign this year on Flag Day, 14 June 26, by raising funds at Food City in Vonore, TN. Our Post goal this year is to pay for 800 wreaths by December 1st for the national wreath laying ceremony scheduled for Mid-December 2026. Don't wait until the holidays to give to this worthy cause!

Each year, your local American Legion Post 256, Tellico Lake, teams up with Wreaths Across America to sponsor the purchase of wreaths to be laid at national and state veterans cemeteries during the December holidays. For every \$17 wreath purchased, Post 256 will receive \$5. The proceeds will help Post 256 support veterans and veteran organizations that assist veterans and their families.

To participate, just go to this secure link and follow the instructions:

REMEMBER the Fallen...
HONOR Those Who Serve...
TEACH Our Children the Value of Freedom!
It is said that a veteran dies twice: once when they pass and once when they are forgotten. Let us never forget those who have served and sacrificed so that we can be free.

By using the attached link or QR code, Post 256 receives credit for your purchase.

Yours in Patriotism,
Steve Buelow; (703) 400-6811
