IMPORTANT INFORMATION FOR YOU (please initial)

We require that your puppy be spayed or neutered at an appropriate age.

If for any reason, you are unable to keep a Blue Charcole Frenchie puppy, we ask that you return the puppy to us. It is our goal to be responsible for each and every puppy we breed. That means keeping our dogs OUT of shelters, pounds and rescues. If you find yourself in a position where you can no longer continue care for your pet, that's okay. Life happens. We will gladly take the dog back.

A \$500 (refundable) deposit is required to reserve a puppy.

Once deposit is received you will receive a puppy contract for you to complete.
