

IN PARTNERSHIP WITH

ROAD-READY BASICS

Essential Vehicle Maintenance
Workshop

Join us for an AutoCare Workshop, where hands-on learning meets faith-driven encouragement! This 4-week course offers essential information on maintaining your vehicle, from selecting the right fuel to more complex topics such as jump-starting a battery, changing tires, and preparing for roadside emergencies. Led by experienced mechanics, participants will gain practical knowledge that fosters confidence and self-sufficiency.

**Skill Enhancement Course
18 and above**
**Must call [830.282.7795](tel:830.282.7795)
and register to participate.**
