ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors
Gulf Harbor Marina Condo Association, Inc.
Nokomis, FL 34285

Management is responsible for the accompanying financial statements of Gulf Harbor Marina Condo Association, Inc. (a corporation), which comprise the balance sheet as of April 30, 2023 and the related statement of revenues and expenses for the one and four months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted supplementary information about future major repairs and replacements of common property that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

Accounting principles generally accepted in the United States of America require that consolidated financial statements be prepared for a company and its wholly owned subsidiary. Management has not recorded the activity of Gulf Harbor Marina Condo Association, Inc. in the accompanying unconsolidated financial statements. Management has not determined the effect of this departure on the financial statements.

We are not independent with respect to Gulf Harbor Marina Condo Association, Inc. because we provide bookkeeping services to the company.
