ABOUT US

Smart Solutions and Service LLC. an **EDWOSB, Hub Zone and 8(a)** SBA certified company providing services and solutions to empower a government digital transformation centered in data privacy and cybersecurity governance to succeed in a virtual world. Our specialized certified professional team brings 25+ years of proven experience consulting highly regulated sectors as Information Technology (IT) Consultants, Data Privacy & Cybersecurity Compliance Officers, CISO, IT Project Managers, Software Developers, and Workforce Educators. We provide **SC365®** innovative software solutions that empowers digital administrative, physical and technical controls that simplifies the adoption of data privacy, cybersecurity, and risk management frameworks aligned with national standards such as NIST, CMMC, HIPAA, ISO, and GDPR. We excel in delivering services and solutions in English and Spanish to succeed in a global economy.

DIFFERENTIATORS

- Our key differentiator is a proven track record in managing an organizational culture, digital, and compliance effective transformation reducing fiscal and cyber risk.
- Our clients have experienced a success rate avoiding cyber-attacks.
- SC365® software solutions can be easily adapted to standardize fiscal and cyber risk controls within and across government agencies.
- Significantly simplifying data privacy and cybersecurity compliance and risk governance diligence and continuity.
- Powerful Cyber BI algorithms integrating security controls.
- Timely compliance and risk alerts; dashboard, reports and email.
- Systematic Real Time Self-Assessment identifying vulnerabilities.
- Commercial and governmental properties centralized management.
