## ABOUT US

Smart Solutions and Services LLC. an 8(a), WOSB, EDWOSB, and HUBZone SBA-certified company that empowers strongly proven digital transformation services and solutions centered on data privacy and cybersecurity governance, risk, and compliance (GRC) to succeed in a virtual world. Our certified professional team brings 25+ years of IT & GRC hands-on expertise in highly complex and regulated sectors, such as healthcare. We serve as IT Consultants and Project Managers, Data Privacy & Cybersecurity Officers (vCISO), Health IT Specialist, Systems Developers & Implementers, and Workforce Educators.

We provide **SC365<sup>®</sup>** software solutions, enabling **GRC + Cyber BI** administrative, technical and physical controls across organizational daily operations. We excel in delivering a proven approach that integrates our specialized services and robust solutions in both English and Spanish, empowering your success in a global economy.

## DIFFERENTIATORS

- ✓ Over 25 years exceeding client's expectations; a consistent outstanding expertise reputation in Data Privacy & Security standards: NIST, ISO, HIPAA, CMMC and GDPR; talk with our clients.
- ✓ Reliable Data Privacy & Security compliance and risk analysis reports, far more than an assessment questionnaire, since our approach is driven by real data thoroughly analyzed by experts.
- ✓ Proven reliable methodologies that transform digital compliance organizational culture, because is more than a technical approach.
- ✓ SC365<sup>®</sup> software integrates customized GRC + Cyber BI administrative, technical and physical controls aligned to organizational rules and industry data protection frameworks.
- ✓ SC365<sup>®</sup> integrates unique automation and intelligent algorithm to issue timely alerts that significantly reduces fiscal and cyber risks.
