STAFFING

Temporary staffing, often referred to as temp staffing, involves hiring employees for a specific period or project. This solution is ideal for businesses facing seasonal peaks, special projects, vacation plans, or short-term absences.

Hiring temporary workers offers flexibility and can reduce admin costs and other overheads associated with recruiting permanent workers.

We offer a flat hourly rate for payment as an independent contractor.

OUR SERVICES

- ▶ Food & Beverage Consultant
- ▶ MOD starts
- ▶ Hostess/Support Staff
- ▶ Server/Bartender
- ▶ Dish Steward

Every service includes a mandatory 30-minute lunch break within the 8 hours of work.

Shift can be up to 10 hours long before rate increases by 15%

Shifts will not exceed 15 hours

Give us a call for all details and contract information.
