COMPANY PROFILE

Formally established in 2019, Genesis Immigration Consulting Inc. is owned and managed by CEO Michelle Figueroa-Fernandez, a fully licensed Regulated Canadian Immigration Consultant and an active member in good standing with the (CICC) - College of Immigration and Citizenship Consultants with more than ten years of experience in the Immigration and manpower industry. Since 2019, the company has greatly expanded and provides Canadian immigration assistance to numerous clients from all countries.

GENESIS IMMIGRATION CONSULTING SERVICES INC. is set up to serve clients worldwide with the intent of providing exceptional client service with the highest level of professionalism adhering to the standards and regulations of then ICCRC now CCIC combined with personal care as if we are your family next to your own.

Our Team of consultant, administrative staffs, customer service and in-house settlement staffs are here to ensure that your immigration goals would be processed in a professional, organized, confidential and timely manner. We highly value the importance of time and deadlines and document compliance in the most efficient manner.

Our company ensures that our clients are assisted personally and individually according to their immigration needs, and our job is to ensure a smooth transition from the immigration process to settlement in Canada. We provide free settlement assistance and orientation to our clients upon their arrival in Canada whether accompanying them to open their bank accounts, SIN application, resume building, assisting in job applications, finding accommodation, networking and referrals. Currently, the company has catered to an average of 200 clients per year since 2019.
