

TRAINING HUB

TRAINING HUB FOR GUJARAT'S GREATEST INDUSTRIAL TALENT POOL

PRAMUKH SWAMI
VOCATIONAL TRAINING CENTER (PSVTC)

DHARAMPUR, DIST. VALSAD, GUJARAT

OUR BACKGROUND

Pramukh Swami Vocational Training Center (PSVTC) is the brainchild of Pramukh Swami Vidyapeeth, Dharampur.

Set in a predominantly tribal zone with minimal urbanisation, education or infrastructure support, the region is home to countless villages in Dharampur, Dang, Silvassa, Umbergaon and neighbouring Valsad Districts, where a sizable population in the 18-32 age group is either facing unemployment or compelled to lead lives as migrant labour in neighbouring cities. Being a part of the landless poor and lower sections of society, they have little education but immense potential.

It is this potential youth power that PSVTC seeks to harness by providing the youth with necessary education, skill-sets and industry-specific training. Thereby, we aim to engineer their transformation; from temporary labour to rising through the ranks as treasured and indispensable taskforce!

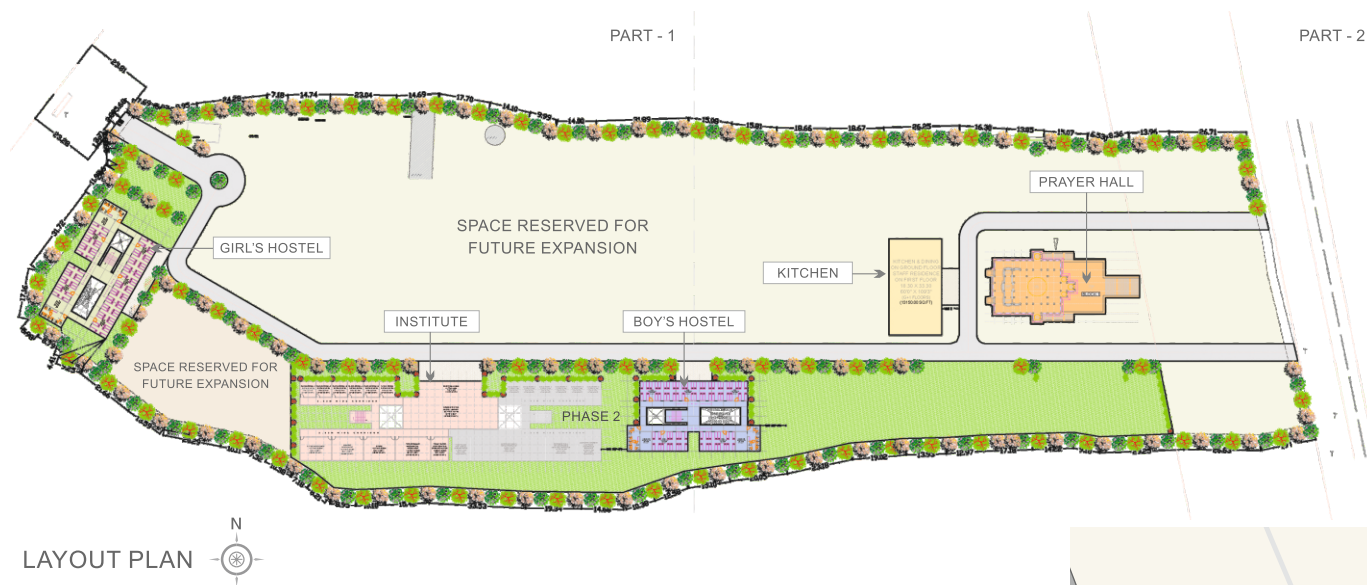

Our vision is not only to enrich and empower the local youth to become skilled craftsmen, technicians or successful entrepreneurs, but also to improve the quality of life for themselves and their families, thereby making a concrete contribution to socio-economic growth of the nation.

At PSVTC,

We are focused on mining talent,
polishing skills, shaping gems
for your industry.

So, that - you don't have to.

PSVTC, Dharampur - A Strategic Location

Spread across 12 acres of verdant, peacefully rural surroundings of Dharampur, within close vicinity of strategic industrial Valsad District in Gujarat, the PSVTC campus is taking shape as the promising new seat of industrial training and development.

Its unique location is significant in many ways; as home to thousands of hardworking tribal communities, it lies in close proximity to leading industry and commercial zones.

PSVTC - HIGHLIGHTS

- As a full-fledged training hub, PSVTC is dedicated to provide permanent, well-equipped infrastructure base for Skill Development and Continuous Upgradation for local tribal youth.
- All skills training & development are tailor-made to synchronise and suit the current needs of the trade, industry and commercial enterprises and imparted by accomplished training providers in each segment.
- PSVTC aims to offer the most state-of-the-art training centers and facilities, complete with all essential systems, equipment and modules along with the most cordial learning atmosphere.
- With residential-cum-walk in capacities, the Center is fully equipped to serve 300 residential ST students (Male/Female) in addition to walk-in tribal / ST youth from neighbouring villages.
- Students with ST background will be offered FREE training and education services with lodging-boarding provided completely **FREE OF CHARGE** for residential students.
- Our vision is to provide a minimum task force of 300 skilled and fully job-ready youth to industries, business units, corporations, government and semi government organisations in the vicinity.
- All necessary affiliations with Government of India-backed National Council of Vocation training (NCVT) enabling trained youth to pass out with all necessary skills and certification to avail jobs anywhere in India.

PROGRAM OFFERINGS

At its state of the art training center, PSVT aims to provide the best mix of essential industry-oriented ITI- courses (Technical/Non-technical category) for boys and girls, which may be taken up after Standard VII, Xth and XIIth, while keeping in view the relaxations available for ST and tribal regions.

In line with the government's policy of making Indian youth "Atmanirbhar" as early as possible, our endeavour will be to make the youth fully independent and job-ready with short term certificate courses, ranging from 4 months to advanced programs spanning 1 to 3 years.

How we're Different, How you Benefit.

ADVANTAGE PSVTC !

As a socially-inclined initiative of BAPS Swaminarayan Vidhyapeeth aimed at enriching lives and livelihoods at the grass-roots level, PSVTC is fully dedicated to nation building through skill building and community development at the tribal level in Valsad region.

What we see as a natural extension of our holistic philosophy towards life, society and the nation, it can well translate into a multifaceted CSR opportunity for our partners in business, corporate, industrial & social-enterprise spheres. Further, being a registered charitable trust, your association with PSVTC can also help your business avail tax exemption benefits under Section 80G.

TAKE AWAY #1 QUALITY OF SKILLS

Assurance of well-trained and ready-to-join candidates for your trade or industry, duly trained and assessed as per exacting parameters set by India's leading technical education & training authorities.

TAKE AWAY # 2 QUALITY OF PEOPLE

Being part of the BAPS Swaminarayan eco-system, our students are deeply ingrained with high moral standards and trusted value systems, thus ensuring you a work force that - thinks positive, works responsibly and contributes effectively to your organization as valuable team members.

TAKE AWAY # 3 EASE OF DEPLOYMENT

Since most of our trainees and candidates live within Valsad District, you have the added advantage of finding quality and skilled work force "on-location". For the students, it greatly improves job accessibility, while eliminating the need for migration, thus making it a win-win situation for all.

TAKE AWAY # 4 MULTIPLE PARTNERSHIP OPPORTUNITIES

With PSVTC promising to emerge as a prominent industrial/trade training institution in the neighbourhood, you are assured of finding a range of skilled, semi-skilled and highly skilled work staff under one roof for the long-run.

As part of our On-Campus industry-partnership modules, we are open to ideas and can offer you many options, including:

- Direct Procurement / Placement of Candidates
- Sponsorship of Candidates for Skill Development (and job absorption)
- Supporting Apprenticeship through your CSR program in addition to availing benefits under Section 80G of the Income Tax Act, 1961.
- Setting Up Skill Centre of Excellence (CoE) or Multi Skill Center within our campus
- Setting up Trade-Specific "Incubation Labs" or Product Development Centers
- Providing Skill Advisory Services as our Training Associates for specific industry

Script your success story with PSVTC

The strategic location of Valsad District, being conveniently located between the industrial hubs of Gujarat as well as Maharashtra, makes it a focal point for several small, medium and heavy industry firms as well as government organizations. The presence of several industries, MSMEs, ancillaries and commercial enterprises makes it not only a magnet for economic growth, but also an investment attraction for industrial/ manufacturing and related sectors. With unique potential and supportive government policies, the region's growth prospects are getting better by the day. Now, with the promise of localized, skilled and trained manpower, endowed with a strong set of values, team spirit and service mindset, PSVTC seeks to make a big difference to your success story in Valsad!

Join hands in our vision for collective growth

At PSVTC, we stand committed to serving all sections of society, but that alone is not sufficient. One needs to strike a balance between material, intellectual, social and spiritual growth, if one aims to contribute towards national growth. The idea behind PSVTC is an extension of this belief. As a committed and socially-inclined organization, we wish to add value to the lives of the underprivileged, yet talented youth by guiding them in the right direction – which is working hard, thinking healthy, living well and serving others. As an integral part of the nation's economy, your organization is also playing a crucial role in nation building and we believe that coming together, our strengths can only amplify the rewards of all-round growth and progress of the country.

We invite you to be a part of the success story we are trying to weave for countless rural youth and citizens on one hand and industry leaders / entrepreneurs like you, on the other.
