Civil Rights Violations

Norwalk— May 10, 2018 — Beatrice Cardenas, Candidate for California's 27th Congressional District, announced today her intent to sue Dean C. Logan, the Los Angeles County Registrar-Recorder/County Clerk, for civil rights violations.

“The Los Angeles County Clerk and his staff has engaged in a discriminatory pattern and practice of discrimination directly harming women and minority candidates. Their practices must be stopped and we must have reform in this office.” said at Beatrice Cardenas, Candidate for California's 27th Congressional District,.

Corrupt Practices

“After being denied placement on the ballot I met with County Clerk staff. It is apparent from their actions and lack of transparency and accountability that their practices are intended to deny the right of certain candidates to appear on ballots.”

“I have contacted California Secretary of State Alex Padilla's Office to address the issues that I have uncovered and I have not seen action to remedy the issues at the Los Angeles County Registrar-Recorder/County Clerk's office ” said Beatrice Cardenas, Candidate for California's 27th Congressional District.. “My only course of action is to involve the justice system. Due to the late notice from the County Clerk's office, only an order from a Judge to put my name on the ballot will cause justice to be served at this time for a fair and impartial election.”
