Credit Guide Overview

The National Consumer Credit Protection Act 2009 states we must provide consumers with a Credit Guide and Quote as soon as practical after it becomes apparent we are likely to provide credit assistance. The Credit Guide and Quote contains information on the service we provide, details of our obligations under the NCCP Act 2009 to ensure credit is not unsuitable for your circumstances, maximum fees and charges payable to us by you as the consumer, a guide to the commissions we may receive from credit providers, and details of fees that may be payable by Royston Finance Pty Ltd to third party referrers.

Services we Provide

Our Credit Assistance services in sourcing and arranging a suitable loan include:

- Obtaining further information from, including but not limited to, employers, accountants, and credit reporting agencies;
- Investigating suitable loans and providing you with information about one or more loans that meet your objectives;
- Assessing, verifying and documenting information, ensuring the chosen loan is not unsuitable for you;
- Helping you complete the application, compiling the document required by the credit provider and submitting the application to the credit provider;
- Liaising with the credit provider during the approval process, providing any further information that may be required and notifying you of the credit providers decision;
- Assisting with the finalisation of the loan required

Our "Licensee" obligations to ensure credit is not "unsuitable"

To help us ascertain a credit contract is not unsuitable, we are required by law to:

- Make reasonable enquiries about your requirements and objectives

- Take reasonable steps to verify the information

If at the time of assessment there is evidence suggesting you are unable to afford the repayments of the credit provided, or the credit provided will cause substantial hardship, or the credit provided will not meet your requirements/objectives, then the credit will be deemed unsuitable.

Due to the importance of proving credit is not unsuitable, we will require a significant amount of information, and accuracy of this information is equally important.

To ensure a credit contract is not unsuitable, we will complete a preliminary assessment of your requirements and financial position. We must keep this preliminary assessment for 7 years. You may request a copy of this preliminary assessment within 7 years of the assistance being provided. We are only required to provide a copy of this assessment if we give you credit assistance.
